

VACANCY NOTICE:

About Global Shepherds Berhad (GSB): We work alongside women, children and communities who are at risk of violence, exploitation and exclusion. We journey with communities to protect rights, uphold dignity and create opportunities for safer and more empowered lives. Our work focuses on community development, safeguarding and safe migration. We believe in listening to communities, building on their strengths and working together to create lasting change.

Come be a part of Global Shepherds' mission to empower lives, restore rights and uphold dignity

Current Vacancies:

Position	Assistant Programme Executive
Location	Sandakan

In this role, you will work closely with communities to ensure that programmes are meaningful, community-driven and make a positive difference in people's lives by:

- understanding their needs, concerns, challenges and strengths.
- designing, implementing and monitoring community-based programmes that respond to these needs and help create safer, stronger and more empowered communities.
- listening to and learning from community experiences, document programme results and stories of change, and prepare reports.

If you have a passion for working with marginalized communities, a minimum a Diploma in Social Work or related field with good communication skills (both Bahasa Malaysia and English) – We would love to meet you.

Please share your resumes with us at info@globalshepherds.my
